

New York Tennis Magazine's 2015 Tennis Travel Destination Guide

Palm Island Resort (800) 824-5412 ♦ PalmsIsland.com

Palm Island Resort in Cape Haze, Fla. sets the standard for Southwest Florida's family of Coastal Island Communities. Villas, cottages and private homes are available for vacation or staycation island visitors. Guests arrive by car ferry and drive a short distance to the resort's main parking area. Come by boat if you like, since Palm Island Resort offers rental slips too.

Palm Island Resort offers both "Go" and "Slow" activities, based on your preferred level of outdoor activity or relaxation. One of the options with Palm Island Go is, of course, tennis. The resort tennis program includes unlimited complimentary play, a complimentary round robin every Saturday, and affordable clinics for both adults and kids. During holiday weekends, the round-robin is geared more toward family play for those of all ages.

In addition to the 11 hard tennis courts available at no charge, a tennis pro shop and equipment rentals are also available. Palm Island Resort even has an on-site tennis pro—Bill Longua—who is available to teach clinics and private lessons. Bill attended Iona College in New Rochelle, N.Y. on a tennis scholarship, and you can view his tips and tricks at OnlineTennisTraining.com.

If tennis draws you to Palm Island Resort, it won't be the only thing keeping you there. Activities like kayaking through the mangroves on a guided tour, bicycle trails, and off-shore and back water fishing are available to ensure that your stay at Palm Island Resort is tailored to your needs.

Come visit and see for yourself why Palm Island offers one of Florida's premier island experiences. For more information about Palm Island Resort, call (800) 824-5412 or visit Palmlsland.com.
